

Exclusive license, Exclusive agency authorization and confidentiality agreement of copyright

Editorial Office of *Lithologic Reservoirs*

Journal of *Lithologic Reservoirs* agrees to publish the manuscript entitled:

including any supplementary material such as software, compiled and un-compiled, movies, animation, sound and any extra data sets contained within it ("the Work") by

("the Authors") for publication in the journal of *Lithologic Reservoirs*.

The exclusive right to use the compilation rights (part or full of the article), distribution rights, reproduction rights of printed and electronic editions, translation rights and information network dissemination rights in the copyright are granted to the editorial department of *Lithologic Reservoirs* worldwide, and the editorial office of *Lithologic Reservoirs* is authorized to act as an exclusive agent to license the third party to use the above rights. Without the written permission of the editorial office of *Lithologic Reservoirs*, we do not authorize others to compile, reprint or publish any part of this Work in any form. The authorization is valid for 10 years from the date of publication of the article.

The following will be warranted: The article is the original work of the authors. The article contains no libelous or unlawful statements and does not infringe the copyright, rights or privacy of others. All statements asserted in the article as fact are either true or based on reasonable research.

This authorization letter is signed by the authors and sent by scanning copy to the editorial office of *Lithologic Reservoirs*. It will take effect since being received by the editorial office of *Lithologic Reservoirs*.

(by hand-writing)

Name (print)

Date

Note:

1. The authorization letter should be signed when the editorial office of *Lithologic Reservoirs* agrees to employ the author's manuscript. If an author is unable to sign in person, he / she may ask someone to sign on his / her behalf, but there should be evidence to prove the author's authorization.
2. After the authorization letter is completed, the scanned copy of the authorization letter should be attached to the submitted manuscript. Only after receiving this authorization, the editorial office of *Lithologic Reservoirs* will decide whether to accept the manuscript finally.
